

**The Great Lakes
Comic-Con**

June 2017

WELCOME

Overview

The Great Lakes Comic-Con, LLC, is an organization which hosts comic book, toy, and collectible events in the Metro-Detroit Area 4 times each year.

Overview - Continued

Two of them we call Comic Expos (the look and feel of a smaller collector's show), one we call "Halfway to Comic-Con", and the fourth is the Comic-Con (which is a much larger comic book and collecting event). Each event has its own theme and philanthropy.

Background

The Great Lakes Comic-Con has been in the Metro-Detroit area since 2010. We try to focus our events on comic books, toy collecting, and nostalgia, as opposed to creating pop culture events.
